3. [redacted] [redacted] OSA, DD/S&T-Admin., inquired on the legislative prospects of liberalizing reimbursement for PCS travel by government employees within the Zone of Interior. 25X1
Informed [redacted] of the provisions of bills introduced during the 88th Congress which did not clear committees, but which, among other things, sought to increase the maximum weight allowance for household effects and to provide for dependents' lodging and food costs while 25X1
traveling. I told [redacted] that it is quite probable that similar measures will be introduced in the 89th Congress, including an increase in domestic per diem rates.
